RALPH JACOB S. SOLAR

Lisqueb, Bacnotan, La Union | 09155105289 | ralphjacobsolar4@gmail.com

WORK EXPERIENCE

Centiole Systems Inc. **San Fernando City, La Union**
Data Collective Officer / Data Researcher *June 2025 – February 2026*

- Utilized lead generation and data mining tools (e.g., CRM platforms, web scraping, and online databases) to gather, organize, and validate large volumes of global data.
- Identified and qualified potential leads across multiple industries by researching companies, decision-makers, and market trends.
- Performed data quality assurance and validation, ensuring accuracy, consistency, and reliability of datasets for business use.

IOL Inc. **Baguio City**
Quality Assurance (QA) / Quality Tester (QT) / Project Management Intern *February – May 2025*

- Performed quality assurance and testing on systems like Zigmafy (POS system) and CyberMeds (Online Pharmacy Platform), identifying bugs, validating fixes, and ensuring functionality across web and mobile platforms.
- Supported project and client operations, including onboarding business users, conducting system demos and training, gathering feedback, and assisting in real-world deployments and events.
- Contributed to documentation and project improvement, creating use case diagrams, compiling reports from user data, and collaborating with teams to enhance system performance and user experience

Municipal Budget Office **Bacnotan, La Union**
Special Program for Employment of Students (SPES) Worker *July 2023*

- Assisted the Budget Department with document sorting, filing, and records organization.
- Provided basic administrative and clerical support to ensure smooth office operations.
- Maintained accurate filing systems and supported staff with day-to-day documentation tasks.
